“The beauty of the Lucas lever is in its simplicity,” says Ashish Karnani, Vice President of Ashley Norton, noting the lever’s elongated, rectangular shape that perfectly blends with soft, rounded corners. “It provides an unassuming hint of luxury in an ergonomic design, making Lucas as functional as it is stylish,” Karnani adds.

Designers and homeowners can create unique looks with the sleek and minimal Lucas lever by combining the design with any of Ashley Norton’s rosette and escutcheon options. Styles to coordinate with include basic round, square, and rectangular shapes and range from clean and smooth designs to more ornate backplates with detailed edges.

Available in bronze and brass, the Lucas lever comes in an array of finishes. Solid brass patinas include Satin Nickel, Polished Chrome, Dark Oil Rubbed, Flat Black, Polished Nickel, Satin Brass, Polished Brass, and Unlacquered Brass. Art-grade bronze levers are available in Dark Bronze, Matte Black, White Bronze, White Medium, and Natural Bronze.

Ashley Norton’s Lucas levers start at \$234.00 and are available to order at leading decorative hardware dealers throughout the United States.
